

16. Notice of Debarment.

(1) Based on sanctions board decision to impose debarment, the contractor and any affiliates involved shall be given prompt notice by certified mail, fax, electronically or courier and return receipt requested—

(i) Referring to the notice of proposed debarment;

(ii) Specifying the reasons for debarment;

(iii) Stating that the period of debarment shall not less than 5 calendar years as stipulated in section 58(6)(a) of PPA, 2007

(iv) Advising that the debarment is effective and the bidder shall not participate in any federal government project.

(2) If debarment is not imposed, the Bureau shall promptly notify the contractor and any affiliates involved, by certified mail, fax, electronically or courier and return receipt requested.

3) Enter the name of the debarred contractor in the database of the Bureau and then publish on the Bureau's website for public viewing.
