

DISCLAIMER NOTICE ON JOB VACANCIES AND RECRUITMENT

This is to inform Nigerians and the public in general that the job vacancies declared and the recruitment exercise credited to the Bureau of Public Procurement (BPP) currently trending on some online platforms is not true about BPP. The Bureau of Public Procurement (BPP) therefore dissociates itself from these publications and posts online.

However, we enjoin the public to be careful of misleading and confusing information that have no correlation with the advertisement posted by the BPP for the 2nd Batch 2019 Call for Nomination into the Procurement Cadre in the MDAs recently published in following newspapers:

- Daily Trust, Thursday 29th August, 2019.
- This Day, Monday 2nd September, 2019.
- Federal Tenders Journal (FTJ) Monday 9th September, 2019.
- And presently on the BPP website: www.bpp.gov.ng

We wish to inform Nigerians that the Bureau of Public Procurement did not declare any job vacancies neither are we recruiting at the moment. If such exercise will take place in the future, the Bureau of Public Procurement will adequately inform the public in general through its official website www.bpp.gov.ng and the national newspapers.
